* Teachers at Child's Play India Foundation

Child's Play India Foundation is a registered charitable trust that seeks to instil positive values and provide social empowerment to India's disadvantaged children through the teaching of classical music to the highest possible standard. It was founded by Dr. Luis Dias in 2009.

We currently teach violin, viola, cello, double bass, recorder, flute, trumpet, clarinet, choir and piano across eight locations in Goa. Our community projects include our children's choir (ages 8-18), the 'Goa Chamber Choir' (ages 18+) and our orchestra, Camerata Goa. We also have a beautiful library with books for all ages. Our 'Piano practice room' in Panjim is available for all serious music students. All our projects are currently open to the wider community.

For more information on our projects and how you can join or help us, please visit www.childsplayindia.org and contact Dr Luis Dias on 9011051950/ luis@childsplayindia.org

Acknowledgements

Fr. Ricardo Pinhero and the Fabrica of Santa Cruz church for their support of our music education project in Santa Cruz. Our music project is open to all children of the village and we have been teaching here for over ten years. We currently offer lessons here in violin, viola, piano, and children's choir. For other instruments, please contact us.
